Lorena-

Thanks, could I get the name of the person you mentioned before so I can check them out online? Can you also send me the bids received to date and who the 9 companies that were sent the RFP?

Thanks,
Alan

Alan,

I will include those items on the agenda.

Regarding the gateway signage, we have been actively seeking other bids from other companies. The RFP was sent out to 9 companies, we've received one additional bid back for \$14,250, we're still waiting on one or two to let us know whether they will respond or not to the RFP and the others have stated that they will not submit a bid. Therefore, that should give us enough info to move forward.

As of now, I have not heard back from the POLA.

Lorena-

Please include the following items for the next agenda:

- Write letter asking Janice's office to allow the parking under the courthouse be opened and closed by Pbid security while future plans are being worked out.
- Election of officers to take place at June meeting.
- Appoint members of the audit committee.

RE: Additions to agenda for the May meeting.

Also can I get an update on the status of the archway sign and can you tell me again who you have been speaking to regarding the design? I looked him up and it must not be the right person. It seems like we also need to get bids from sign companies who I believe provide design service as part of their work.

Have you heard back from the port?

Alan
